ENGLISH LANGUAGE ARTS POLICIES AND PROCEDURES

GOOGLE CLASSROOM

Most assignments and class materials will be posted in Google Classroom.

Students are responsible for checking the Classroom for new assignments, and for submitting assignments on time.

POWERSCHOOL

Grades will be posted and maintained in PowerSchool. Please check PowerSchool regularly for updates on grades, assignments, missing work, etc.

Contact Mrs. MacIsaac if you have any questions regarding information on PowerSchool.

EXTRA HELP

Arrangements can be made for extra help by appointment.

ELECTRONIC DEVICES

Electronic devices are permitted for use in the classroom with teacher's permission.

Students are reminded to use their devices responsibly.

If the use electronic devices becomes a distraction or problematic in any way, students will be asked to put the device away, and/or the device will be taken and sent to the office.

Students are required to use headphones when listening to audio.

ATTENDANCE/ MISSED ASSIGNMENTS

Students are responsible for ALL materials covered in class. If you are absent from class for any reason, it is YOUR responsibility to find out, and get caught up on what you've missed in a timeline agreed upon with Mrs. MacIsaac.

If you know you are going to be absent in advance, please see Mrs. MacIsaac to make arrangements for receiving assignments, or to establish an appropriate deadline. This can be done before or after school, at break or lunch, or via e-mail.

HOMEWORK

Time will be given to complete the majority of assignments during class time, therefore homework is rare, provided students use their class time wisely.

If students do not complete work during class, in the allotted time, it is to be completed for homework, to ensure students adhere to the determined deadlines.

On occasion, some work may need to be completed outside of class time.

Check my website, Google Classroom, and PowerSchool for information on outstanding assignments.

Students should read 20-30 minutes every night.

LIBRARY TIME

Due to Health and Safety measures, access to our school library will be limited for the 2020-2021 school year.

I will be working with Ms. Makmillen, our librarian, to ensure students have access to the reading material of their choosing.
