

Good evening Grade 9 Highland Park Families,

Our Grade 9 students will be getting their graduation photographs taken on **Wednesday January 20th**. This had been previously scheduled for this Wednesday January 13th.

Graduation photograph re-takes will occur on February 17th.

All dates have been updated on our website school calendar.

Due to new Covid regulations, students will be provided with a gown and sash for the photograph as the photographer will have a number of gowns on hand. Gowns will also be steam cleaned in between groups when necessary. Anyone who wants a collared shirt / tie under the gown will have to provide their own due to Covid protocols.

Thank you,

Carla Christianson
