Hello Highland Park Families,

We are well on our way to finishing our first full week of online classes. Many students and staff are reporting great attendance and engagement in learning! It is wonderful to see your child (children) engaged and participating. If anyone is having difficulty getting to classes the work is available in Google Classroom and the teachers are available via email.

Please reach out to us if you would like to discuss further, we have supports we can offer for this remote learning model.
